My Dear Mr Garrison.

We Lawgels go next week to the White Hts & I am very anxious that you & Mr Thompson should come to Weymouth before their departure. Could you & Mr T. come down & spend the day with us either next Saturday or Sunday?

If you come Saturday you must take the 11.50 Train, returning in the afternoon at 6. If Sunday is more convenient, you will be obliged to come in your own Carriage, for tho' there is a horse rail way to Dinning it is very slow & uncertain. & stops 3 miles from Wrexham

If Mr Johnson be in Boston, we should be very glad to have him make one of the party. Please remember us all, Madame Angel in particular, (who also desires her kindest regards to you,) & Mr Thompson & say how much we wish to see him.

It seems a long time

While we have seen you
but we have had the
pleasure of hearing of
Mr Garnier's improvement
& of your pleasant new
house, & we all beg to
congratulate you on your
safe marriage & to prosper
a thousand good wishes.

Believe me, my dear
friend, very affectionately
yrs A. W. Baker.

Please write a line as soon
as you know your arrangements
